

Friends of Raintree

Creating Special Memories for Raintree House Residents Since 1992

Since 1974, Raintree House has been providing a loving home-like setting for abused and neglected female foster children ages 10 to 17. With a capacity to house 14 girls, Raintree House offers caring and loving guidance, helping the girls attain hopes and dreams they never had before. Every year Friends of Raintree supports this mission by helping create magical memories, such as providing funds to buy a cake, ice cream and presents for each resident's birthday.

A membership with Friends of Raintree not only provides for birthdays, but other special occasions too. In prior years, Friends of Raintree provided holiday gifts and

Easter baskets complete with plush bunnies. At times, Friends were also able to provide kitchen equipment for cooking and baking too. All of these items help the Raintree House give residents a further sense of security, and most importantly, lets them embrace a childhood they may have never had.

Raintree House makes all holidays as special as possible for its residents. With the collected membership dues and donations, Friends of Raintree assist the staff by providing support for holiday celebrations. Each year, Friends of Raintree assist with a Holiday Party for residents. All of the girls receive winter jackets, gloves, scarves, gift cards, and other presents. Carols are sung and lifetime memories are made.
